HIGHLIGHT OF THE UPCOMING SYMPOSIUM **LIVE 2016**

LIVE LAKE RUN

Saturday, May 28th, 2016 | 7.00 am

Running route: Miaoulis Coast-Mavili Square

This year's **LIVE Symposium** is innovative, combining for the first time the **Scientific Program** with a **6 km running race**, along the **Pamvotis Lake**, a water symbol of Ioannina, very famous all over the world for its beauty and legends.

This event called "**LIVE Lake Run**", is expected to be different from any of sports event. Internationally renowned doctors will run along a magical route together with athletes and residents of Ioannina, sending the message of a healthy lifestyle through sport.

The diversity of this initiative, lies in the fact that for the first time a scientific event joins with sports tourism, the most dynamic alternative form of tourism that benefit the local economy.

We invite you to join us on Saturday, **28th May 2016 @ 7.00 am**, at the end of **Miaoulis Coast** to tie the ... cords of our sports shoes, take place at the starting line and at the signal, run **the most attractive route of the city!!!**

Under the auspices
of the Region of Epirus

ΠΕΡΙΟΧΗ ΗΠΕΙΡΟΥ

In cooperation with the
Municipality of Ioannina
