## LIVE Course Directors

### **E. Arnaoutoglou**

*Professor of Anaesthesiology,  
School of Medicine, University  
of Thessaly, Larissa, Greece*

### **A. Giannoukas**

*Professor of Vascular Surgery,  
School of Medicine, University  
of Thessaly, Larissa, Greece*

### **N. Labropoulos**

*Professor of Surgery and  
Radiology, Director, Vascular  
Laboratory, Department  
of Surgery, Stony Brook  
University Medical Center,  
New York, USA*

### **M. Lazarides**

*Professor Emeritus of Vascular  
Surgery, School of Medicine,  
"Democritus" University of  
Thrace, Alexandroupolis, Greece*

### **M. Matsagkas**

*Professor of Vascular Surgery,  
School of Medicine, University  
of Thessaly, Larissa, Greece*

### **D. Tsetis**

*Professor of Interventional  
Radiology, School of Medicine,  
University of Crete, Heraklion,  
Greece*

### **I. Tsolakis**

*Professor of Vascular Surgery,  
School of Medicine, University  
of Patras, Patras, Greece*

## Together on a life-saving mission

### 10 years of Leading Innovative Vascular Education

On the occasion of the LIVE 2019 annual symposium in Larissa, IVD will celebrate its 10-year anniversary by sharing the experiences of the past 10 years and speaking about the emerging issues and challenges ahead.

Already 10 years old! And we witness how interest grows, not only in LIVE itself, but in the range of all topics that have been covered. This seems to vindicate the direction we have taken over the last decade.

Each year our symposium gains in maturity and experience, and the 10<sup>th</sup> edition promises to provide to the scientific community the kind of information and education needed to help all specialists evolve even further in practice.

During the past 10 years, our industry partners were very much present at LIVE, listening to our unmet needs and trying to respond. We are proud of the collaboration we have built together.

Apart from our focus on celebrating medical advances, we wish to broaden our scope to include other innovative and courageous developments.

**We are honored to invite you to this celebratory and remarkable event!**

### Important Dates

Deadline for abstract & clinical case submission: **March 17<sup>th</sup>, 2019**

Notification of Acceptance/Rejection of Abstracts: **April 12<sup>th</sup>, 2019**

Deadline for early registration: **April 15<sup>th</sup>, 2019**

### Congress Venue

#### Larissa Imperial Hotel

182, Farsalon Street, GR 413 35 Larissa, Greece

**Join now!**

**Take advantage of the early registration fees**

## Registration Fees

| Registration Category | Early Pre-registration until 15/04/2019 | Late Pre-registration from 16/04/2019 & onsite Registration |
|-----------------------|-----------------------------------------|-------------------------------------------------------------|
| Doctors               | 150,00 €                                | 200,00 €                                                    |
| Trainees              | Free                                    | Free                                                        |
| Nursing Staff         | Free                                    | Free                                                        |
| Students              | Free                                    | Free                                                        |

Online registration via the official website: [www.live2019.gr](http://www.live2019.gr)

In the framework of the **10<sup>th</sup> anniversary of the Symposium** and for their continuous support during all these years, all announced **“Collaborators” & “Partners in Success”** are offered the benefit of **5 free registrations** for their members.

Delegates entitled to receive a free registration, are requested to advise the Symposium's website: [www.live2019.gr](http://www.live2019.gr) for the detailed information.

**Registrations will be handled on a first-come first-served base.**

## Larissa

Larissa is the capital of the Thessaly Prefecture in central Greece. It is a commercial, industrial, military and transportation center. It is also the seat of the University of **Thessaly's Medical School** and hosts one of the largest technical colleges in Greece.

According to archaeological evidence the city and its area has been inhabited since the tenth millennium BC. Legend says that Achilles was born here and Hippocrates, the Father of Medicine, died here. The area is home to ancient Roman and Greek theatres, a selection of fine museums and various important landmarks are located very close to

the city. At its outskirts, on the road to **Tyrnavos**, one can visit the **monument of Hippocrates** where his tomb was found, the river **Pineios** which crosses the stunning **valley of**

**Tembi** or within easy driving distance the colossal rock of **Meteora** with the world known monasteries speaking directly to the visitors' hearts. **Mount Olympus**, the home of

the ancient Greek gods, the city of **Trikala** and the traditional village of **Pellion** are also in the vicinity.

All in all, Larissa is a “sweet” city amongst green dunes and imposing mountains.

**Call for abstracts and clinical cases**

**LIVE CASES and PRESENTATION OF CLINICAL CASES**

**SUBMIT YOUR CASE NOW!**

Live is very proud and fortunate to report that the following organizations and societies were involved in the scientific program over the last 10 years
