Email

In order to enter the abstract/registration form, you are kindly requested to duly complete your email in order to receive the appropriate code which you will be requested to use for abstract submission or registration.

Your data is stored on a secured database on Greek Servers of TOP HOST, operated by Conferre SA and will only be used for purposes of this event. This enables us to keep you up to date with information on registration, abstracts, scientific programme, receive information from companies exhibiting/supporting the congress, the exhibition and other aspects of the event. Your e-mail and no other contact detail will be used only from Conferre SA in order to receive newsletters of forthcoming meetings/events organized by Conferre SA.

Note: Photography and filming may take place at the event for security purposes. Material may be used on Congress Website and on social media platforms of the Congress. If you have any concerns, please speak to a member of the Congress team.

If you wish not to receive newsletters and notifications of forthcoming meetings/events, please send us an e-mail at info@conferre.gr

Conferre uses only the basic necessary personal information needed for the provision of services.

In the next step fill the Verification code (you received in the email) in the form to proceed to the Abstract submission form.
