A Cardinal Health company

# Reengineering the art of EVAR

Ultra-low profile

Customisable  
tri-modular design

Efficacy and durability  
without compromise<sup>1</sup>

Few units fit  
most anatomies

**InCRAFT**  
AAA Stent Graft System

<sup>1</sup> Torsello et al. Safety and effectiveness of the INCRAFT® AAA Stent Graft for endovascular repair of Abdominal aortic aneurysms. JOURNAL OF VASCULAR SURGERY; January 2015, Volume 61, Number 1. Pages 1-8.

The use of the INCRAFT® AAA Stent-Graft System requires that physicians be specially trained in endovascular abdominal aortic aneurysm repair techniques, including experience with high resolution fluoroscopy and radiation safety. Cordis Corporation will provide training specific to the INCRAFT® AAA Stent-Graft System. Contact your Cordis sales representative for availability and ordering. For EMEA Healthcare Professionals. Important information: Prior to use, refer to the Instructions for use supplied with this device for indications, contraindications, side effects, suggested procedure, warnings, and precautions. As part of the Cordis policy of continuous product development, we reserve the right to change product specifications without prior notification.
